END OF CONGRESS.

Scenes During the Closing Hours at Washington.

AT WORK NEARLY ALL NIGHT

Conferees on Important Bills Adjust Differences Slowly.

ARMOR PLATE IS FINALLY SETTLED.

Friends of Some of the House Members Adorn Their Desks With Flowers—Odds and Ends of Legislation Picked Up For the Last Time.

Washington, June 6.—The senate adopted the conference report on the sundry civil bill and it was sent to the president who was at the capitol.

Washington, June 6.—Congress has adjourned.

While the sessions lasted practically all night the exciting scenes and incidents of former days were missing. The senate held a short executive session at 11:40 after which conference reports on the sundry civil appropriation, the naval academy and the general deficiency bills were presented and adopted.

The sundry civil bill was a complete agreement except one item, relating to Nevada claims. The naval conferees were deadlocked on the deficiency bill. The military academy bill was passed and sent to the president. At 2:30 a. m. the senate went into executive session after which a recess was taken until 10 o'clock.

The house during the early hours of the morning was without a quorum until 3:30 o'clock. A recess was then taken until 8 a. m.

In the Senate.

The senate reconvened to prepare for final adjournment. A score of senators only were present but the chamber rapidly filled.

The naval and sundry civil appropriation bills remained in conference, all the others having been agreed to. The usual routine business was practically abandoned during the day.

Only two or three new bills and resolutions were presented.

Mr. Carter secured the passage of a bill providing for the increase to \$375,000 for the limit of cost for the public building at Helena, Mont.

A recess was taken to await the presentation of conference reports. When the senate reconvened at 10:30, Mr. Allison reported from the committee on appropriations the house concurrent resolution providing for final adjournment at 3 p. m. The committee had made no amendment. It was permitted temporarily to lie on the table.

Mr. Hale presented a conference report on naval appropriation bill. It was a disagreement upon all questions that have been in dispute for three or four days. Mr. Hale explained that the armor plate question was the great stumbling block to agreement. No price had been agreed upon by the conferees because the house conferees believed the price should be left to the discretion of the secretary of the navy.

Mr. Penrose then offered the following resolution: That the secretary of the navy is hereby authorized to procure by contract armor of the best quality for any and all vessels above referred to, provided that such contracts can be made at a price which is reasonable and equitable, but in case he is unable to make contracts for armor under the above conditions he is hereby authorized and directed to procure a site for and to erect thereon a factory for the manufacture of armor and the sum of \$4,000,000 is hereby appropriated toward selection of said factory.

A sharp and extended debate followed the reading of the Penrose amendment. Senators Teller and Tillman bitterly attacking the amendment and Senator Hanna defending it. Mr. Tillman said: "We are face to face with a scandal as infamous as any in our history, second not even to the great Credit Mobilier scandal."

Mr. Hanna said he wanted to see the armor question taken out of the legislative branch of the government because he wanted to see it taken out of politics. He resented Mr. Teller's charge that anybody has been or will be influenced by motives lower than those by which the senator (Teller) says he is actuated. He advocated the Penrose proposition. Other senators also took part in the debate, Mr. Butler

pleading with the senate not to surrender when it was on the verge of victory.

The Penrose armor amendment was finally put to a vote and carried 39 to 35.

Following is the detailed vote of the senate on the armor plate proposition: Yeas—Allison, Baker, Carter, Clark, Cullum, Davis, Deboe, Depew, Elkins, Fairbanks, Foster, Frye, Gallinger, Hanna, Hansbrough, Hawley, Hoar, Kean, Kyle, Lodge, McBride, McCommas, McEnery, McMillan, Mason, Penrose, Platt (N. Y.), Platt (Conn.), Pritchard, Proctor, Quarles, Ross, Scott, Sewell, Shoup, Thurston, Warren, Wetmore, Wolcott, 39.

Nays—Bacon, Bard, Bate, Berry, Beveridge, Butler, Clay, Cockrell, Cul-

berson, Dannel, Foraker, Harris, Heitfeld, Jones (Ark.), Kerney, Lindsay, McLaurin, Mallory, Martin, Morgan, Money, Nelson, Perkins, Pettigrew, Pettus, Rawlins, Simon, Spenser, Sullivan, Tallaferro, Teller, Tillman, Turner, West, 35.

IN THE HOUSE.

Business Transacted and Incidents of Closing Hours.

Washington, June 6.—A handful of members were on hand when the house re-assembled at 8 a. m., after being in session until the wee sma' hours.

Speaker Henderson went home about 4 a. m. and was again in the chair at 8 a. m., showing no signs of fatigue.

The conference report on the general deficiency bill, showing a complete agreement was presented and agreed to. Mr. Cannon announced that the contest over the sundry civil bill was about concluded, only one item being in controversy and he deferred reporting until the attendance increased. As the attendance was so slim a recess was taken until 9:30.

Additional members had come in when the house re-assembled. The joint resolution expressing gratification over the unveiling of the Lafayette statue at Paris was agreed to.

Mr. Cannon then submitted the conference report on the sundry civil bill, showing the item covering the claims of Nevada to be the only one in dispute. Among the important items struck out were those for the memorial bridge across the Potomac river; for a revenue cutter on the St. Mary's river and a lighthouse vessel for the Pacific coast; for a branch soldiers' home in Idaho, salary of woman commissioner at the unveiling of Lafayette's statue in Paris; legation buildings in Korea and Siam and statue of Rochambeau.

Among the important items retained were those placing under the supervision of the secretary of the treasury the execution of the Chinese exclusion and immigration laws, guaging water supply of certain streams \$100,000; providing plans for the enlargement of the White House and development of surrounding grounds; appropriating \$25,000 for South Pass of the Mississippi river; providing for the settlement of Spanish war claims from military use and occupation. The Mississippi item for the lower river, being reduced to \$2,250,000. The provision as to state claims was compromised by an amendment that certain federal claims against these states would not be prosecuted. The forest reserve provision was amended that lien land selections shall hereafter be made from surveyed lands.

Mr. Cannon explained that the senate had added about \$5,000,000 to the original \$61,000,000 of this bill and that by this report the senate yielded about \$1,000,000 and the house \$4,000,000. Considerable debate followed on the various items. The sundry civil conference report was agreed to and on the one item still open, appropriating \$462,000 for claims of Nevada, Mr. Newlands of Nevada moved that the house concur with the senate amendment. This brought on a sharp debate on state claims, Mr. Moody (Mass.) urging that the Nevada claim would set a precedent for other like claims aggregating about \$5,000,000. Newland's motion was lost.

The approach of the closing hours of congress began to be manifested as the morning wore on. The galleries filled and floral gifts began to come in for members. Mr. Heatwole was particularly honored with a huge rose bush in full bloom.

Matches Can Be Imported.

Washington, June 6.—Consul Shaw at Barranquilla has informed the state department that the Columbian monopoly upon importation of matches and the raw materials for manufacturing the same has come to an end and that hereafter the importation of those articles will be permitted by that country.

Washington, June 6.—The senate has confirmed the following nominations: William Haywood of Honolulu to be collector of internal revenue for Hawaii, Thomas H. Norton of Ohio, consul at Harput, Turkey.

KERN WINS IN A WALK.

Nominated on the First Ballot For Governor of Indiana.

DOCKERY HEADS MISSOURI TICKET.

Proposed Convention of Chicago Platform Democrats of New York Declared Off as They Claim to Be Satisfied.

New York, June 6.—The convention of the Chicago platform Democrats is off. The Chicago men expressed themselves as satisfied with the result of the state convention and claimed a victory for the principles for which they stand.

Kansas City, June 6.—When the Democratic state convention was called to order the credentials committee was ready to report. The committee had been in session till after midnight and found against the police machines both here and in St. Louis. The report was read by J. J. Butler of St. Louis, chairman of the committee. The credentials committee report was adopted without debate and the platform read and adopted with a whoop. It endorsed the Chicago platform, declared for 16 to 1 and denounced trusts and favored Bryan.

The report of the committee on permanent organization, making the temporary officers permanent, was adopted.

The nomination of state officers was then taken up and Chairman Cowherd in a eloquent speech nominated ex-Congressman A. S. Dockery for governor.

Dockery was nominated by acclamation and the convention went wild as he mounted the platform to make a speech of acceptance.

All Factions United.

Parkersburg, W. Va., June 6.—The Democratic state convention here is the most largely attended political gathering ever known in this state. It is due more to the interest in the United States senatorship, state ticket and the legislature than to the presidential election. It is also a reunion of factions that have not been in harmony for some years and for that reason the silver question has been ignored. Former Senator Camden, who presided at the meeting here addressed by Bourke Cochran four years ago, is taking an active part in this convention. In calling the convention to order, Hon. Andrew J. Edmiston of Weston, chairman of the state committee, reviewed the reverses of recent years, congratulated the West Virginia Democracy on being enthusiastically united, and arraigned the administrations of President McKinley and Governor Atkinson.

Indiana Democrats.

Indianapolis, June 6.—The Democratic state convention was called to order at 9:50 a. m. by Parks M. Martin, chairman of the state central committee. The attendance was estimated at 5,000 people, of whom 1,500 were delegates. The report of the committee on permanent organization was submitted and adopted. Samuel M. Ralston was named as permanent chairman.

John W. Kern was nominated for governor on first ballot. John Worth Kern was born in 1849 in the village of Alto, Howard county, Indiana. At the University of Michigan he graduated from the law department in 1869.

John C. Lawler of Salem was nominated for lieutenant governor.

Nominated For President.

New York, June 6.—The Socialist Labor party in convention in this city nominated Joseph F. Maloney of Lynn for president of the United States, but one ballot was taken and Mr. Maloney received the votes of 60 delegates, Vaal Remel of Pittsburgh getting 17 and W. B. Hammond of St. Paul one. Mr. Maloney made a brief speech of acceptance and the convention proceeded to nominate a vice president.

A Negro Party.

Philadelphia, June 6.—The first steps looking to the organization of a national negro party have been taken in this city. Prominent negroes—bishops, ministers, editors and lawyers—at a meeting decided to place a presidential ticket in the field with negro candidates. The plan is to organize the party in every state of the Union and nominate candidates for state and congressional offices.

Ohio Man Nominated.

Washington, June 6.—Robert P. Kennedy of Ohio has been nominated to be agent on the part of the United States under the conventions for a claims commission concluded between the United States and Chile, May 27, 1897.

Aroused Interest.

St. Louis, June 6.—The passage of

the Louisiana purchase measure by congress has rekindled strong local interest in the enterprise. Numerous offers to increase subscriptions and make new ones have already been made.

WITH THE BOXERS.

An Engagement Is Said to Have Occurred Near Peking.

Shanghai, June 6.—The soldiers dispatched to attack the "Boxers" have fought an engagement quite close to Peking. Many were killed on both sides.

In consequence of the representations of Japan, the landing of a large Russian force at Taku is alleged to have been stopped. It is believed here that should Russia persist in sending a prepondering military force to the front a collision with Japan will inevitably result. Alarming reports are current here of the hurried completion of the mobilization of the Japanese fleet.

The Russian minister at Peking, M. DeGiers, has made another attempt to induce the Chinese foreign office to formally request Russian assistance to restore order, but the offer has not yet been accepted.

Violent dissensions are reported to exist between the Chinese commander-in-chief of the forces, Jung-lu and Prince Ching-Euan who in accordance with the wishes of the dowager empress is strongly supporting the cause of the "Boxers."

The mobs who murdered the English missionaries Robinson and Norman, mutilated and disemboweled the bodies. The station at Yang-Tin, three miles from Peking, has been burned. The British minister, Sir Claude M. MacDonald is reported to be quite ill.

Bad News From China.

Washington, June 6.—Bad news still continues to come from Minister Conger and the American naval force in the Pei-Ho river has been ordered to be reinforced. The minister cabled that the situation was worse at Peking and this statement taken in connection with Admiral Kempff's alarming cablegram of yesterday, announcing that an engagement had begun, decided the state department to strengthen the naval forces nearest the scene of the trouble. Accordingly a cablegram was sent to Admiral Remy at Manilla, directing him to dispatch at once to Admiral Kempff's command, the gunboat Helena, or if that craft is not at Manilla and ready for immediate service then some craft of correspondingly light draft and power. The purpose is to place at Admiral Kempff's disposal an efficient warship capable of ascending the Pei-Ho river as far up as Tin Tsin. Admiral Kempff's flagship, the Newark, drawing 23 feet of water, cannot ascend the river safely beyond the Taku forts near the entrance, but the little Helena, drawing only 11 feet can safely ascend to Tien Tsin 40 miles above. She was specially designed for service in the Chinese rivers and so is likely to prove much more effective than any other of the foreign warships which can pass the Taku forts and reach Tien Tsin. She carries a battery particularly adapted to dealing with such half organized mobs as the "Boxers."

St. Louis Streetcar Strike.

St. Louis, June 6.—Negotiations between the railway street car strikers and the Transit company are practically at a standstill. The posse commitatus now numbers nearly 1,200 and before night Sheriff Pohlman expects to have 1,500 special deputies under arms. City Counselor Schnurmacher has delivered an opinion that the municipal assembly has the right and power to repeal a franchise or grant made by it since the present city charter went into effect providing it is evident that the holder of the special privilege has neglected to carry out the obligations assumed. Bills are pending in both branches of the municipal assembly to revoke the Transit company's charter for failure to run cars according to schedule.

Bad Day For Long Skirts.

Milwaukee, June 6.—The second day of the Club Women's convention opened with a steady rain. Delegates who left their short skirts at home and are thus wary about venturing out to the convention halls, filled the hotel corridors to discuss the live issues of the hour. The ticket, made out with Mrs. Lowe for president and Mrs. Deyson for vice president came as a surprise to many after Mrs. Lowe's refusals, but there seems to be an impression the ticket will carry. The color question, which has been forced to a settlement precipitated no end of state excuses, the delegations anxiously awaiting the next move of the board of directors.

Bucyrus, O., June 6.—Hon. James A. Norton, of Tiffin, was renominated on the third ballot for congress by the Democrats of the Thirteenth district.

HERO OF MANILLA BAY

Is Welcomed by Thousands of Buckeyes at the Capital City.

REUNION OF SOLDIERS AND SAILORS

The Elaborate Preparations For the Entertainment of the Distinguished Visitor and His Party Carried Out.

Columbus, O., June 6.—Admiral Dewey, the hero of Manila bay arrived according to program and found the capital city of Ohio profusely decorated in his honor and thousands of Buckeyes ready to give him an enthusiastic welcome.

The trip of the admiral to Columbus commenced Tuesday night, when his party left Washington at 9 o'clock in a special train over the Baltimore and Ohio railroad. The party consists of Admiral and Mrs. Dewey, Lieutenant H. H. Caldwell, the former's aid and secretary, and two servants.

The only feature to distinguish the Dewey train as it rushed westward was a miniature admiral's flag, the regulation four white stars on a blue field which was attached to each car window.

High street from the viaduct to Livingston avenue is a vaulted passage of the flags of all nations strung on the arches and surmounted by gaily fluttering national ensigns and all centered on portraits of famous soldiers dead and living.

Among the guests were the victorious veterans of three wars.

It was early when the war veterans of Ohio, accompanied by their wives, daughters and sweethearts, for many of them who fought the Spaniards are young enough to have sweethearts, began to pour into Columbus from all parts of the state. The incoming trains crowded to their capacity were met by delegations of the reception committee.

The Junia Hussars, a finely mounted body, escorted the Dewey party to the Chittenden hotel, where they dined. During the afternoon the guests were driven out to the Columbus Driving park, where the soldiers' reunion and barbecue was in progress.

The evening program was: 7:45 p. m.—Admiral Dewey escorted from the Chittenden hotel to the camp-fire at the Columbus auditorium by all the veteran organizations headed by the Fourteenth regiment band and the Columbus Rifles; 8:00 p. m.—grand camp fire with music, Admiral Dewey and noted soldiers as speakers. The admiral afterwards appeared at the press smoker.

On Thursday the principal functions are the reception in the capitol during the morning; the big parade during the afternoon and the fireworks and ball at night.

ORDER GRANTED

Temporarily Restraining the Board of Health at San Francisco.

San Francisco, June 6.—Judge Morrow of the United States circuit court has granted an order temporarily restraining the board of health and chief of police from prohibiting the surgeons employed by the Chinese to care for their sick and to examine their dead entering the quarantine lines. The health board was also ordered to show cause why it should not be permanently enjoined from interfering with the physicians employed by the Chinese. The board must also show cause for denial of the application of the Chinese for an order commanding them either to provide for the sustenance of those imprisoned by the quarantine or to grant the quarantined their liberty.

The Neely Case.

New York, June 6.—The examination of the case of Charles F. Neely, charged with stealing \$36,000 of United States postal funds at Havana, which was to have taken place before United States Commissioner Shields has been adjourned again for a day. It is said the postponements will continue until some definite action is taken by Neely's counsel or until the bill covering cases of extradition to Cuba under which conferences of the house and senate agreed passes congress.

Gift Appreciated.

Chicago, June 6.—The Chicago India famine relief committee received the following cablegram from Lady Curzon, vicereine of India: "Simla, June 5.—Indian famine committee Chicago: 'Generous contribution of £1,000 gratefully received. Could not be more opportune.' " The Chicago committee is receiving a second £1,000 and hopes to be able to send it to the famine-stricken districts before the suffering grows worse.

PIERCE SCORING

Given Postmaster General Smith By a
Leading Republican Organ.

(Chicago Inter-Ocean.)

Whatever of surprise the postal scan-
dale may have caused in Washington,
they certainly need not have caused any
in Chicago. Barely two years have passed
since indisputable evidence of gross
irregularities in the Postal Inspector's
office in this city were brought to the
Postmaster General's direct notice. The
evidence utterly failed to impress Mr.
Smith with the propriety of disciplinary
action on his part. In fact, it actually
moved him to deny publicly that it existed.

The proof of negligence, incompetence,
corruption and collusion with
blackmailers was fastened upon a branch
of the postal service in this city. It
was fastened there by special representa-
tives of Mr. Smith's department, and
was reported to him in full. Yet this
eminent reformer remained utterly calm
and indifferent. He countenanced the
abuses in question rather than risk the
publicity of remedying them. Remem-
brance of this incident alone, if there
were no others, would suffice to prepare
the ordinary observer of department
work for looseness and corruption in
other branches of the postal service. A
department that permits abuses because
it fears the political effect of stopping
them can never be more than a home of
incompetence and a nursery of scandal.

There is no inherent reason for laxness
or malfeasance in the Postoffice Depart-
ment. This is a national institution
whose name has been synonymous for
years with system, good order, efficiency
and honest administration. Only con-
spicuous neglect or incompetence in its
management could have led so suddenly
to the present scandalous conditions.

It is unfortunate that the revelations in
Cuba and Washington should annoy the
President and the Republican Congress,
but it is still more unfortunate that this
annoyance did not come to a head
months ago, and in such manner as to
preclude the possibility of Mr. Smith's
doing further damage to his party and
his country.

GAVE PROPERTY AWAY

And Suit Has Now Been Filed to Set Aside
the Deeds.

(Fleming Gazette.)

Sometime within the past year Benj.
T. Johnson, an aged citizen of the
county, concluded that he was far ad-
vanced in years and that he would make
a division of his property amongst his
heirs before his death.

He accordingly divided his estate,
which amounted to about \$25,000, and in
the division Alice Dye was given land to
the value of about \$3,000 and Reuben
Tolle about \$10,000.

Now Jno. Johnson, as next friend, has
filed suit in the Circuit Court, alleging
that said Benj. T. Johnson was of un-
sound mind and incompetent to manage
or dispose of his wealth, and asks that
the deeds made to said Alice Dye and Reuben
Tolle be declared null and void and that
a committee be placed in charge of the
property so disposed.

A Life and Death Fight.

Mr. W. A. Hines, of Manchester, Ia.,
writing of his almost miraculous escape
from death, says: "Exposure after
measles induced serious lung trouble,
which ended in consumption. I had
frequent hemorrhages and coughed night
and day. All my doctors said I must
soon die. Then I began to use Dr. King's
New Discovery for Consumption, which
completely cured me. I would not be
without it even if it cost \$5 a bottle.
Hundreds have used it on my recom-
mendation and all say it never fails to
cure throat, chest and lung troubles." Regular size 50c. and \$1. Trial bottles

KEHOE.

Mason's Eloquent Son, the Dem-
ocratic Nominee for
Congress.

One of Largest and Most Enthusiastic Con-
ventions Ever Held in District
Nominated Him by Ac-
clamation.

Hon. J. N. Kehoe, Mason's worthy and
eloquent young son, was honored with a
unanimous nomination for Congress by
the Democrats of the Ninth district
Wednesday afternoon.

The convention was held at Moree
Opera House, Catlettsburg, and was one
of the largest and most enthusiastic ever
held in this district. This fact is worthy
of special notice because it was known
in advance that Mr. Kehoe's name would
be the only one presented to the conven-
tion. Yet a great gathering of the rank
and file of the sturdy Democracy of the
old Ninth assembled and accorded Mr.
Mr. Kehoe the nomination by acclama-
tion.

It was a most auspicious inauguration
of the campaign to redeem the district.

The convention was called to order by
District Chairman Will A. Young, of
Morehead. He stated that he had with-
drawn from the Congressional race in or-
der that the nomination might be made
by acclamation, insuring the utmost har-
mony in the party. His remarks were
loudly applauded.

The names of Col. E. B. Wilhoit and
Hon. Frank Powers, both of Grayson,
were presented for temporary Chairman.
Mr. Powers withdrew his name and Col.
Wilhoit was unanimously selected as
Chairman. On a call for nominations
for temporary Secretary, Editor J. D.
M. Intyre, of Owingsville, and Editor
James M. Allen, of Cynthiana, were both
elected. All Democratic newspaper men
present were made Assistant Secretaries.
The temporary organization was then
made permanent.

On motion, and by a unanimous vote,
the appointment of Committees on Cre-
dentials and Organization was dispensed
with, and a call of the counties was had
for the selection of a Committee on
Resolutions, the following committee
being selected:

Bath—G. C. Ewing.
Bracken—J. D. Felix.
Boyd—S. G. Kenner.
Carter—D. J. Caudle.
Fleming—H. C. Kehoe.
Greenup—J. T. Warnock.
Harrison—J. J. Osborne.
Lewis—R. D. Wilson.
Lawrence—Robert Dixon.
Mason—T. D. Slattery.
Nicholas—N. H. McNew.
Robertson—W. T. Kenton.
Rowan—Geo. B. Caywood.

The committee reported the following
resolutions, which were adopted with
cheers:

We denounce the extravagance and corruption
of the McKinley administration, and condemn
its partnership with trusts, and its failure to
keep its promises to the people.

We approve the course of the Democratic
party and its officers in their efforts to maintain
law and order in Kentucky.

We denounce the Republican party of Ken-
tucky for defying courts, and substituting mili-
tary power for civil law, and bringing armed
mobs to our capital to browbeat and intimidate
civil officers in the conscientious discharge
of their sworn duties; and we especially denounce
the Republican leaders for bringing about con-
ditions which resulted in the assassination and
lamentable death of Governor Goebel, and we
pledge ourselves to aid in bringing to justice the
perpetrators of this heinous crime.

We pledge ourselves to lend our assistance to
the enactment of such laws as will be conducive
to peace and good order in Kentucky, and to
this end we ask the co-operation of all persons
without regard to their past political opinions.

We approve of liberal pensions for all soldiers
and widows of soldiers.

We endorse the Hon. C. B. Poyntz for Delegate-
at-Large from Kentucky to the Kansas City Dem-
ocratic Convention.

We endorse the Chicago platform of 1896 and
W. J. Bryan for President in 1900, and denounce
trusts, imperialism and the Porto Rican tariff.

The rooster was adopted as the emblem
of the party on the official ballot at the
election next November.

A call of the counties was ordered for
nominations. Judge C. D. Newell pre-
sented the name of Mr. James N. Kehoe,
and the nomination was seconded by At-
torney M. J. Hennessey, of Augusta. On
motion of Captain T. D. Marcum, of
Boyd, the convention by a rising vote

honored Mr. Kehoe with the nomination
by acclamation.

A committee was sent to the hotel to
conduct Mr. Kehoe before the conven-
tion. The Democrat of Catlettsburg says:
"The entrance of Mr. Kehoe was the
signal for the wildest and most vociferous
applause, which did not abate for several
minutes after he had reached the stage.
Mr. Kehoe's speech of acceptance was a
jewel—touching, patriotic and noble. We
only regret that we are unable to present
it in full. Thunderous applause follow-
ed, and the convention then adjourned."

CONVENTION NOTES.

All the counties in the district were
well represented.

Everybody was for Kehoe and the
delegates brought good news from their
respective counties.

The visiting delegates were met at the
depot by a committee and band and es-
corted to the hotels.

The opera house was beautifully de-
corated and the stage was adorned with
large portraits of Bryan and Goebel.

Hon. Jas. N. Kehoe's speech accepting
the nomination was indeed a gem and
was received with the most enthusiastic
applause.

The Democrats of Boyd were very
much surprised and highly gratified at
the large and enthusiastic attendance at
the convention.

Over one hundred delegates went up
from this city. They arrived home last
night at 10:30 o'clock, delighted with
their trip and the day's work at Catletts-
burg.

Judge Newell's nominating speech and
the speech of M. J. Hennessey, of Bracken,
seconding the nomination of Mr. Kehoe,
were received with enthusiasm, and mer-
ited the applause so liberally bestowed.

Among the speakers who addressed
the convention were Hon. Edgar Hagar,
of Boyd; Hon. Claude Desha, of Harrison;
Col. Mordecai Williams, of Boyd;
Dr. Smith, of Harrison; Hon. C. B.
Poyntz and Mr. C. Burgess Taylor, of
this city.

SHAMEFUL RECORD

That the Republican Party Will Carry in
the Coming Campaign—Scandals
on Most Every Hand.

(New York Journal.)

The most important question which
the Republican party has to face at pre-
sent is not the planning and planking of
a Hanna platform.

It is an easy matter to howl against
trusts without meaning it, and to fill a
platform with deceptive cant and rant
about the blessings supposed to follow
the flag and the splendid prosperity of
our satrapies.

The Republican platform, as we have
learned from experience, is built of
empty words and broken promises, which
can be written on a typewriter in fifteen
minutes.

This does not worry the Republican
party. The question which is causing
sleepless nights is how to cover up the
utter rascality of the administration. It
cannot be hidden by a bombastic plat-
form. The public cannot be deceived by
rosy speeches.

The thing most prominent in the party
record for the past four years is the fact
that wherever we have planted our flag
administrative fraud, scandal, theft and
oppression have followed it.

Hanna leads the administration like a
red ox with a brass ring through its nose.
As the ox, McKinley is irresponsible,
except within the limits of his rope.

It is Hanna first, last and always, and
for all the scandal and rascality connived
at and covered up the people will demand
an explanation.

Here are a few of the things that voters
will do well to make an especial study of
between now and election day:

The Alger embalmed beef scandal.

The financial collusion between John
D. Rockefeller and Secretary Gage.

The tariff oppression of the Porto
Ricans.

The United States army outrages on
the Cour d'Alene miners, authorized by
William McKinley.

Thefts, murder and mismanagement
in the Philippines.

Postoffice rascality and embezzlement
in Cuba.

The Hay-Pauncefote treaty, by which
we are to build an isthmian canal while
England commands it.

Tattooed and daubed with such a
damning record, the Republican party
will find its platform a very minor con-
sideration with the people.

Suit has been filed at Covington to

who left 200 acres of land in Lewis
County.

That doesn't sound like our sort of advertising, does it? We are too careful of
our store reputation to make such statements unless they are indisputably true and
the wisest merchandising cannot often secure goods at half price. These ribbons
represent one of our rare luck purchases and they are not "seconds" nor "off"
shades and patterns. They are stylish, all silk or satin—some are double face satin
—ribbons, 5 to 7 inches wide. Stripes, plain centers bordered, hemstitched designs,
etc. They are exactly half price and if you want ribbons to see will be to buy.

Fancy Silks at Greatly Reduced Prices

This has been the largest silk season in the history of our store. We anticipated a great demand for silks and bought extensively. Of the former immense stock we have still left about forty patterns in waist lengths of exquisite fancy silks. We think it wise to dispose of these while the weather is still fit for silk wearing, and if price and your good judgment count for what we think they will, not a one of these silks will be carried over until next season. The \$1.50 kind is now \$1. The \$1 grade is reduced to 75c. and so on down the list. It's a great silk opportunity. Don't miss it.

The Proper Things in Underwear.

We value our good reputation as handlers of proper underwear for men, women and children and our present large and varied stock will more than maintain it. Splendid taped neck Vests, 5c. Neck and arm holes taped, three for 25c. Lisle Vests, silk taped, 15c., 25c. and 50c. Splendid qualities of men's Balbriggan Underwear, 25c. and 50c. We carry a complete line of infants' and children's underwear from 10c. to 50c., guaranteed.

A Word or Two About Gloves.

Our one dollar guaranteed kid glove sells so rapidly that we seldom feel a need to advertise it. It is the famous F. W. L. Glove and improves with each season's output. In the undressed kid the Dupray at \$1.50 and in the dressed kid the La Rome at the same price are masterpieces of the glove makers' art. Both guaranteed.

Captain Longmire Says He Will Return to Face Any Charge Brought Against Him.

Captain Longmire and Sergeant McClure, who came here to muster out the Mason County Guards, but who crossed to Aberdeen on learning the Taylorites had sworn out warrants for them, boarded the special C. and O. train at Manchester Wednesday morning and went to Grayson to muster out the company at that place.

They state that their principal reason for leaving was because they were under orders to muster out the Grayson and Pineville companies this week, and had heard the Taylorites here were bent on throwing them in jail on any old charge that could be trumped up, and they hadn't the time to fight the matter through the courts.

The order mustering out the local company was served on Captain Cochran Tuesday, and Captain Longmire stated yesterday that as soon as he got through at Grayson and Pineville, he would return here to receive the equipment and face the charge brought against him.

INTERESTING meetings are in progress this week at First Presbyterian Church. Dr. Condit, of Ashland, preaches daily at 3 p. m. and 7:30 p. m. A cordial invitation to all.

Mr. J. T. Dodd, aged sixty-six, of Fearis, and Mrs. Martha A. McNutt, aged forty-nine, were married in this city Wednesday, by Rev. T. B. Stratton. It was the second marriage of both bride and groom.

WHY IT SUCCEEDS.

Because It's for One Thing Only, and Maysville Is Learning This.

Nothing can be good for everything. Doing one thing well brings success. Doan's Kidney Pills do one thing only. They're for sick kidneys. They cure backache, every kidney ill. Here is Maysville's evidence to prove it:

Mrs. W. F. Cooper, of 1,002 East Second street, says: "Doan's Kidney Pills are worthy of the fullest confidence and their great merit and effectiveness is quickly proven by a short course of treatment. Mr. Cooper procured Doan's Kidney Pills for me at J. Jas. Wood & Son's drug store, corner of West Second and Market streets. They are worthy of the strongest endorsement."

For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name Doan's and take no substitute.

ABOUT THE WAR.

Next Move of Lord Roberts Is an Enigma.

London, June 6.—Until the situation in the neighborhood of Pretoria is enlightened, the officials here as well as others will find difficulty in prognosticating Lord Roberts' immediate program.

It appears evident that the Boer commander-in-chief, General Botha, with all his guns, withdrew in good order, probably along the Delagoa Bay railroad with the view of joining President Kruger. So the Transvaal forces are practically intact with Presidents Kruger and Steyn and General Botha and Secretary of State Reitz all safe and in a position to continue the direction of affairs. The most optimistic see in the fact that President Kruger's wife and General Botha's wife left at Pretoria an indication that the president does not count on a long resistance. In any case it will probably take Lord Roberts at least a week to organize a campaign pursuit. The military authorities anticipate that the next important news will come from General Buller's direction. Plenty of time has elapsed to complete the returning movement at Laing's Nek.

A belated dispatch from Mefeking dated May 31, announces the British occupation of Malmari, where 5,200 Boers surrendered.

FIGURES

Which Reveal the Extravagance of the Present Administration.

[New York World.]

The ordinary annual expenditures of the Government averaged in President Harrison's term \$361,291,323.

They averaged in President Cleveland's second term \$360,418,546.

They have averaged in President McKinley's term \$514,480,244.

The cost of running the Government is thus seen to have been increased by nearly \$154,000,000 a year ever since Mr. McKinley was inaugurated. And this is not accounted for by the extraordinary disbursements of the war, which are not included in these "ordinary expenditures."

The outlay for war is a separate matter, and it accounts for the increase of the public debt by \$200,000,000 since Mr. McKinley's inauguration. The financial record of the Administration may therefore be summed up in a sentence. It has added nearly \$13,000,000 a month to the regular running expenses of the Government and added \$1.79 per capita to the national burden of debt.

Don't Be Blind To Facts You Should Know

The Testing of the Eyes by a competent Optician is not a matter of guess work, nor is it a matter of trying on glasses promiscuously, but it is a science governed by principles which none but a person who

has studied the science of Optics can understand. We have, with years of experience and close application to properly fitting of glasses to the sight, acquired the knowledge of knowing how, a fact which certainly gives us a great advantage.

Come and let us examine your eyes and we will advise you regarding the true condition of them.
